## BOOK SYNOPSIS

The first volume in the addictive saga of the American Revolution by the #1 New York Times–bestselling author of the North and South trilogy. Meet Phillippe Charboneau: the illegitimate son and unrecognized heir of the Duke of Kentland. Upon the Duke's death, Phillippe is denied his birthright and left to build a life of his own. Seeking all that the New World promises, he leaves London for America, shedding his past and preparing for the future by changing his name to Philip Kent. He arrives at the brink of the American Revolution, which tests his allegiances in ways he never imagined. The first volume of John Jakes's wildly successful and highly addictive Kent Family Chronicles, *The Bastard* is a triumph of historical fiction. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.
