BOOK SYNOPSIS

When Denims husband Bradley is released from prison after being accused of raping her sister, Denim is hopeful that they can work on rebuilding their marriage. That seems impossible when her dysfunctional mother Sarah moves into the Kennedy bunker, bringing with her disgusting habits and distasteful opinions. If Denims mother was the least of her concerns life might not be so difficult. Unfortunately between Bradleys overbearing personality and the Russian Cartels looming attack, Denim cant seem to catch a break. "Pretty Kings 3" explodes with drama of the future due to secrets from the past.
