BOOK SYNOPSIS

This book is a practical guide for any student considering enrollment in, currently enrolled in, or recently graduated from an online course. The authors, both with substantial online teaching and learning experience as well as seasoned professionals, deliver concise guidance to make the online learning journey enjoyable, productive, and most of all, worthwhile. Major topics include how to identify the best online program; comparing online with traditional education programs; finding an ideal work-life balance; managing time and staying organized; how to form good habits to maximize your chances for success; getting the most out of an online learning environment; and using your online education to succeed in your career. As the singular guide to success as an online learner, this practical book serves as the essential desk reference for every online student.
